

NOTICE TO BIDDERS

Hanover Township ("Township") is accepting sealed bids ("Bids") for the GLEN ECHO ROAD, CHESTNUT STREET, AND CIRCLE DRIVE RESURFACING PROJECT ("Project"). Bids shall be submitted before 9:00 A.M., local time, on Tuesday, March 14, 2023, on forms furnished by the Township, and will be accepted by Katy Dolan Baumer, Hanover Township Clerk, located at the Township Town Hall, 250 S. IL Route 59, Bartlett, Illinois 60103. All Bids received on or before this time will be publicly opened and read aloud.

The Township reserves the right to reject any and all Bids or parts thereof, to waive any technical errors or omissions in any Bid, to modify or eliminate the scope of work, to award all or part of the scope of work, and to accept any Bid in its entirety or part thereof, if in the judgment of the Township, the best interests of the Township will be promoted thereby. All Bids shall remain subject to acceptance for a period of ninety (90) days after the Bid opening date.

Digital bidding documents ("Bid Documents") are available through the Quest Construction Data Network web site at www.questcdn.com. You may download the Bid Documents for Quest Project #8391163 at a cost of \$22.00. Please contact Quest at (952) 233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with the digital project information. Paper copies of the Bid Documents are not available.

All Bids shall be submitted to the Township on the forms provided in a sealed 9"x12" or 10"x13" envelope. The envelope shall be marked: "Sealed Bid – GLEN ECHO ROAD, CHESTNUT STREET, AND CIRCLE DRIVE RESURFACING PROJECT," and the name of the bidder. All Bids shall be accompanied by a Bid Bond, Certified Check, Cashier's Check in the amount of five percent (5%) of the Bid amount, payable to Hanover Township.

In general, the Project includes resurfacing existing asphalt roadways. Work includes, but is not limited to 2.25 inch pavement surface removal, full-depth pavement patching, pipe culverts, aggregate shoulders, grading and shaping ditches, PCC curb & gutter, resurfacing with hot-mix asphalt level binder and surface courses, landscape restoration, traffic control and protection, and all incidental and collateral work necessary to complete the project as shown on the Plans and described herein. and in strict compliance with the Bid Documents. The Project is to be substantially completed by July 14, 2023. The Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq., shall apply to the Project.

Questions regarding the Project should be directed to Mary Cave of Thomas Engineering Group, LLC, by e-mail at maryc@thomas-engineering.com, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday.

Dated: February 15, 2023
