Hanover Township is now scheduling in-person appointments for the Low Income Home Energy Assistance Program (LIHEAP) program. LIHEAP helps income-eligible households pay for home energy services.

The LIHEAP program will run October 1, 2025 through August 15, 2026, or until funds are exhausted. Beginning October 1, residents can apply if someone in the household is:

- 60 years or older
- Receiving Social Security disability benefits
- Under the age of 6 years old
- Has a utility disconnected or received a disconnection notice

Beginning November 1, all other households who are income eligible can apply for energy services.

Applicants must live within the Township and provide all required documentation at the time of the appointment, including:

- Proof of Social Security cards for any new applicants
- Proof of gross income for all household members from the last 30-day period
- A copy of the most current gas and electric bills

Adults 55 and older seeking to schedule an appointment should call the Hanover Township Senior Center at (630) 483-5660. Residents under the age of 55 should call the Hanover Township Astor Avenue Community Center at (630) 540-9085.
