Social Bridge

Tuesdays at 1:00 P.M.

Bridge is played with a standard 52-card deck (no jokers) There are four suits in the deck – spades, hearts, diamonds, and clubs. That order is important because the suits are ranked in bridge. Spades are the most valuable part of the deck, then hearts, then diamonds and finally clubs, which are least valuable. Just as the suits are ranked, the cards within a suit are also ranked. The card with the highest rank is the Ace, followed by the "face cards" (King, Queen, Jack). These four cards together are called the "honor cards." After the honor cards come the number cards. These are easy to sort – just 10 to 2 in numerical order.
