Hanover Township Job Fair set for April 8

Hanover Township will hold its 15th Annual Job Fair on Wednesday, April 8 at the Township Senior Center, 240 S. IL Route 59, Bartlett. The event is open exclusively to Veterans from 11AM to 11:30AM and open to the public from 11:30AM to 2PM. Job seekers are asked to bring copies of their resumes to the event.

“We frequently hear from residents, across all departments, who are underemployed or simply seeking new opportunities in new fields,” said Hanover Township Supervisor Brian P. McGuire. “Our Job Fair is a great opportunity for those 18 and over to apply for a variety of positions and in most cases, be interviewed on the spot.”

Over 60 employers will be onsite in the fields of healthcare, manufacturing, sales, administration, transportation, and more. This year’s job fair is co-sponsored by State Senator Cristina Castro, State Representative Fred Crespo, and Cook County Commissioner Kevin Morrison.

“For those entering the job market, this is a great opportunity to connect with employers across different fields to find the job that is right for you,” said State Senator Cristina Castro (D-Elgin). “Setting people up for success is the priority for this event.”

New this year, free professional headshots will be offered to all attendees. Job seekers can have different poses taken in front of a backdrop with lighting and review and select their image on the spot. Once final edits are completed, attendees will be notified within 48 hours when their image is ready to be downloaded.

“One of the best ways to stimulate our economy is to help people who are unemployed or underemployed find appropriate employment,” said State Representative Fred Crespo. “This job fair has been a great way to connect candidates and companies in a meaningful and hopefully fruitful way.”

According to the Illinois Department of Employment Security, the unemployment rate for Cook County is 4.6%.

“I know there are companies in the area who have excellent opportunities for training and employment and Hanover Township’s dynamic, skilled, and diverse workforce are the perfect fit. Being able to put these two groups together in the same room will be greatly beneficial to our District’s small businesses and the local economy,” said Commissioner Morrison. “I’m proud to co-sponsor this event and I have no doubt that we’ll see a lot of connections being made.”
