2026 ADOPT-A-SENIOR PROGRAM

Hanover Township Aging Services is proud to offer the Annual Adopt-A-Senior program this year. Adopt-A-Senior provides thoughtful care packages of much needed personal care essentials and a few gift items to low-income older adults in the Township. We invite and welcome your partnership with our 2026 Adopt-A-Senior Program. You have the opportunity to make a meaningful difference in the life of an older adult in Hanover Township. Each care package is created by generous donations from community members and includes needed items such as toiletries, cleaning products, clothes, or a gift card.

Beginning Monday, November 2, we will accept general donations of paper products, cleaning supplies, or miscellaneous gift cards. These donations can be dropped off at the main reception desk of the Senior Center. Gift cards also are greatly appreciated and allow us to purchase items not selected for donation. Checks may be made payable to "Hanover Township".

The Giving Tree will be displayed in the Senior Center Lobby starting Monday, November 2. Each tag displayed will represent a requested item to purchase for a senior in need. The Giving Tree List will also be available over the phone at (630) 483-5660 and available via email upon request. Gifts may be returned to the Senior Center sooner but it is appreciated if they are returned November 30 - December 4 due to space limitations. All gifts must be returned to the Senior Center by Friday, December 4.

We thank everyone in the community for their generous donations and involvement with the Adopt-A-Senior program! It is wonderful to partner with such a caring community. If your place of business is interested, sponsorship opportunities are available for this meaningful program. Please contact Diana Gomez at (630) 483-5666 or via email dgomez@hanover-township.org for more details. We look forward to making it the Most Wonderful Time of the Year for Hanover Township residents in need. Please contact Social Services with any questions about the program at (630) 483-5660.
